

HP HEALTH & WELLNESS CATERS TO YOU

OUR PHILOSOPHY

At Harwood Place, we are committed to supporting you to live your best life possible with peace of mind. Our health and wellness services were born from the concept that the right services provided at the right time can keep you healthy and active. Our goal is for you to live independently, safely and comfortably in your community.

HP HEALTH AND WELLNESS SERVICES

Our basic services include:

- 24-hour access to on-site nursing staff
- Emergency response pendant
- Daily wellness checks
- Coordination of care with your physicians and specialists
- Health monitoring
- Annual wellness assessments by a nurse

REPUTATION FOR EXCELLENCE

Stay in your apartment home longer with additional support from Harwood Place Health and Wellness Services. Our friendly and compassionate staff have been providing comfortable and convenient independent living care for more than 30 years. Let us help you live your best life possible.
